Through the mirror of my mind  
Time after time, I see reflections of you and me  
Reflections of the way life used to be  
Reflections of the love you took from me

Oh, I'm all alone now, no love to shield me  
Trapped in a world that's a distorted reality  
Happiness you took from me  
And left me alone with only memories

Through the mirror of my mind, through these tears  
That I'm crying reflects a hurt I can't control  
'Cause although you're gone, I keep holding on  
To the happy times, oh when you were mine

As I peer through the window of lost time  
Looking over my yesterdays and all the love  
I gave all in vain, all the love, all the love  
That I've wasted, all the tears, all the tears  
That I've tasted all in vain

Through the hollow of my tears, I see a dream  
That's lost from the hurt that you have caused  
Everywhere I turn, seems like everything I see  
Reflects the love that used to be

In you I put all my faith and trust  
Right before my eyes, my world has turned to dust  
After all the nights, I sat alone and wept  
Just a handful of promises are all that's left of loving  
you

Reflections of the way life used to be  
Reflections of the love you took from me  
In you I put all my faith and trust  
Right before my eyes my world has turned to dust
