You were the sunshine baby
Whenever you smile
But I call you stormy today
All of a sudden that old rains fallin' down
And my world is cloudy and gray
You've gone away

Oh stormy, oh stormy
Bring back that sunny day

Yesterday's love was like the warm summer breeze
But like the weather, you change
Now things are dreary baby
And it's windy and cold
And I stand alone in the rain
Calling your name

Oh stormy, oh stormy
Bring back that sunny day
(Bring 'em back, bring 'em back)

Oh stormy, oh stormy
Bring back that sunny day
(Bring 'em back, bring 'em back)
Bring back that sunny day

(Bring 'em back, bring 'em back)
Bring back that sunny day
(Stormy, stormy)

Oh stormy, oh stormy
Oh stormy, oh stormy
Oh stormy, oh stormy
