You may not know how  
To make words rhyme  
Carry a tune  
Or clap on time now

You may have no knowledge  
You musical thing  
But deep down inside of me  
You have created a melody  
You're the composer of the song  
That my heart sings

You may not know  
What quarter notes are  
Or what I mean by  
'Four to the bar' now

Such musical terms  
May be Greek to your ears  
But deep down inside of me  
You have created a melody  
You're the composer of the song  
That my heart hears

Now, it's a tender song  
It's like a rhapsody, a symphony  
This song I find in this heart of mine  
And it's begging you let nothing keep us apart  
Oh, my darling, 'cause you put a song in my heart  
Ooh, ooh

Now, this song that I find  
In my heart for you  
Every lyric and line  
I swear it's true

The number one song  
On my personal chart, yeah  
Deep down inside of me  
You have created a melody  
You're the composer of the song  
That's in my heart

Ooh ooh ooh, ooh

Deep down inside of me  
You have created a symphony  
You're the composer  
You put a song in my heart  
You put a song in my heart  
Oh, you put a song in my heart
