The Sha-La Bandit  
(J. Lang Ferguson/Wade Davis, Sr.)

Girls, beware of the bandit  
From Westchester County  
I can't offer you no reward  
All he left me was a broken heart  
He kidnapped me excitingly  
Then he robbed me off my dignity  
And when enough of his time was spent  
He left me wanting more  
Sha, la, la, la  
He left me wanting more  
Sha, la, la

Be careful, my sisters  
He's armed with an innocent smile  
And a dangerous love record  
That can stretched for miles and miles  
Hey, girls... you ought to take a hint  
'Cause he won't leave no fingerprints  
And when he gets his hands on you  
He'll have you wanting more  
Sha, la, la  
He'll have wanting more  
Sha, la, la

interlude

For your female information  
You might be in the same situation  
He might be sitting right next to you  
Westchester County is right there, too  
Hey, girls... I got a confession to make  
If they put that bandit in jail  
I'm gonna jump right in his cell  
There's something about his  
Oh-oh-oh-oooh... yeah  
There's something about his  
Sha, la, la, la la-ah  
The way he makes me groove, oo-oo-oooh, ooh

There's something about his
