You better make a way for the young folks

Here we come and we're so alive  
We're here for business buddy and don't want no jive  
Brighter tomorrow [Incomprehensible] in our eyes  
You better make a way for the young folks  
Ooh, yeah, yeah, yeah, yeah

We say yes and you so no  
We ask you why and you close the door  
My ole friend I thought you knew by now, yeah  
You can't do that to the young folks  
Oh, no, no, no, no

You might no like it, but I've gotta tell you  
I gotta tell you, na, na yeah, yeah  
You better make a way for the young folks  
Ooh, yeah, yeah, yeah, yeah

We're marching with signs  
We're standing in lines, yeah, yeah  
Protesting your rights  
To turn out the lights in our lives

Here's the deal, accept it if you will  
We're coming all strong, yeah, it's our turn to deal  
My ole friend I thought you knew by now, yeah  
You gotta make a way for the young folks  
Ooh, yeah, yeah, yeah, yeah

You may no like it, but I've gotta tell you  
[Incomprehensible] gotta tell you, oh, yeah, yeah, yeah  
You better make a way, you better make a way  
You gotta make a way for the young folks, yeah, yeah  
Oh oh, yeah, yeah

Ooh, you may no like it, but I've gotta tell you  
I've gotta tell you, na, na  
You gotta make a way, you gotta make way  
You gotta make way, you gotta make a way for the  
young folks
