If Columbus never sailed the sea  
If Longfellow never wrote a rhyme  
If leaves have never grown upon a tree  
And if the sands have never told the time

Then I guess I don't love you, love you like I do  
Then I guess I'll have to find me someone new  
Then I guess this love, I feel couldn't possibly be real

If Beethoven never wrote a song  
And if Shakespeare never wrote a play  
If a man has never done a wrong  
And if night has never followed day

Then I guess I don't love you, love you like I do  
Then I guess I'll have to find me someone new  
Then I guess this love for you couldn't possibly be true

If high is low and up is down  
And if love is not considered an emotion  
If yes is no and square is round  
And if waves had never rode across the ocean

If Michaelangelo could never paint  
And if Jezebel was a saint

Then I guess I don't love you, love you like I do  
Then I guess I'll have to find me someone new  
Then I guess this love is wrong couldn't possibly be  
strong

Then I don't love you, love you like I do  
Then I guess I'll have to find me someone new  
Then I guess this love I feel
