There's no stoppin' us now
Now that we found our way
There's no stoppin' us now
Our love is here to stay

Foolishly we've been apart
Breakin' each other's heart
Stubbornness and foolish pride
Caused us to push love aside
The loneliness from bein' apart
Opened up our eyes
To the love that was always there
Deep inside

Now that we've faced the unknown
And we can't make it alone
We're closer together more now than ever
For now that we've found love
We've got to hold on love

There's no stoppin' us now
This time love's here to stay
There's no stoppin' us now
Now we have found our way

The precious hours we have lost
We'll never regain
But together we'll fill the hours that remain
The loneliness we have known
We'll push behind
Together forever
We'll make up for all lost time

Now we're in each other's arms
Nothing can do us harm
Nothing can shake us
Nothing can break us
We'll be together forever and ever

There's no stoppin' us now
This time love's here to stay
There's no stoppin' us now

Together we've found the way

Never again shall foolish pride keep us apart
Never again shall stubbornness break our hearts

There's no stoppin' us now
Now that we've found our way
Would you believe?
There's no stoppin' us now
Now that love's here to stay
There's no stoppin' us now
Now that we've found our way
