MARY:

This is why I believe in you
This is why I believe
The reason I can't leave you, boy
'Cause I can't lose the need
There is only one like you

ALL:

No, no, no

MARY:

A cup of coffee just won't do

ALL:

You do without knowing
What keeps my mind blowing

MARY:

Ooh, boy, I love you so
I love you so

This is why I believe in you
This is why I believe
Feeling more than I can dream
Is it really me?
I'm on the mountain top of pride
With you tight here by my side

ALL:

You do without knowing
What keeps my mind blowing

MARY:

Ooh, boy, I love you so
I love you so

ALL:

This is why

MARY:
Oh, ohhhhhhhhh

ALL:
I believe, I believe-----

Do-do-do-do, do, do
