I don't want to leave you this way
I don't want to lead you this way
Oh, I love you so, don't want to let you go
You mean more to me than just my man
Understand

So hold me back until the boat sails away
Hold me, I really want to stay
(really want to stay, really want to stay)

Yesterday's sweet wine
Upon your lips still taste fine
Memories of a love you and I made
Just yesterday

So hold me back until the boat sails away
Hold me, I really want to stay
(really want to stay, really want to stay)

INTERLUDE

Oh, I love you so
Don't want to let, let you go
You mean more to me than life is send
Above all ends

So hold me back until the boat sails away
Hold me, I really want to stay
(really want to stay)
I really want to stay (really want to stay)
Please, let me stay
