Darling, just relax  
You melt me like hot candle wax  
One touch and my whole body melts  
Yet you say, you say you can't express yourself

Oh, just keep doin' what you're doin'  
Fancy words would only ruin it  
Touch, that very special touch  
If I satisfy you, baby, how you satisfy me

Don't worry about cries  
These are tears of love in my eyes  
I feel this love flowin' through  
Like a river boy, straight through me to you

Oh, your touch says more than words  
In any language ever heard  
Touch, oh, honey  
I need your touch, every brand new day  
I wake up wanting you the same way, hey hey hey

Your touch says more than words  
In any language ever heard  
Keep on doin' what you're doin'  
Fancy words would only ruin it

Touch  
Touch  
Groove me, groove me, groove me, groove me  
Groove me, groove me, groove me  
Groove me with your touch  
Somebody touch  
Just keep doin' what you're doin'  
Fancy words would only ruin it
