Come with me
And we will run across the sky
And il-lum-inate the night
Oh, oh, oh
To better times
And brighter days
Don't be afraid
Go up the ladder to the roof
Where we can see heaven much better
Come up the ladder to the roof
Where we can be

(Mary)
Where we can be

(Cindy)
Where we can be

Closer to heaven

(to heaven stay)

Stay with me
And we shall let expression sing

(All)
Hear freedom's virtues ringing

(Jean)
Can't you hear 'em ringing

(Background echoes) Ringing!

Oh, oh, oh

(All)
Memories of yesterday

Yesterday's broken dreams
Don't you know
They'll all fade away

If you'll come up the ladder to the roof
Where we can see heaven much better
Go up the ladder to the roof

Where we can be

(Mary)
Where we can be

(Cindy)
Where we can be

Closer to heaven

INTERLUDE

We'll laugh and I'll tell you the story of love
How it is, and the happiness in it baby
We'll combine our thought
And together we will travel the roads
To the fountain of loveliness
I will never, never ever
Leave you, leave you alone to wander
As we go on , our love, it will grow
(It will grow)
Much stronger and stronger
Don't you want to go
Up the ladder to the roof
Where we can see heaven much better
Up the ladder to the roof
Where we can be closer to heaven, oh
Up the (Up the)
Ooh-ooh up the (Up the)
Oh, come on and walk
(walk)
Come on and talk
(talk)
Come on and sing about love and understanding
(Ooh-ooh-ooh)
Up vthe ladder to the roof
Ooh-ooh-ooh
(See heaven much better)
Ooh-ooh-ooh
(Oh, up the ladder to the roof)
Ooh-ooh-ooh
(Be closer to heaven)
