Love is living everywhere  
In the soul of one who cares  
That's how you make me feel  
Every day a new thrill  
Ooh, when I'm with you  
A star's glitter in one's eye  
Who have their hearts of rain inside  
High on a silver cloud  
Angels danced all about  
When I'm with you  
oooooh, ooooooh, ooooooh, ooooooh  
oooooh, ooooooh, ooooooh, ooooooh  
[x2]  
Oh, when I'm with you  
The night is still and young  
The wind has cooled the sun  
Let my heart stays warm  
All through the winter's storm  
When I'm [when I'm], when I'm with you  
when I'm with you, oh-oh-oh, baby  
[oh baby, baby]  
ooh, baby, baby [don't you know, baby]  
oh, ooh, when I'm, when I'm with you  
[oh, oh, ohh, baby]  
oh baby, baby [ohh, ooh, baby]  
it happens everytime [don't you know, don't you know]  
everytime I'm with you  
When I'm with you, ooh  
I get the same feeling [ooh]  
oh baby, baby, baby, baby  
it happens everytime [yeahh]  
whenever I'm with you, Jean  
When I'm with you  
Whenever I'm with you, baby  
it happens everytime [ooh baby]  
everytime I'm with you  
[ooh, I'm talkin' to you, baby]  
We're walking hand in hand  
When I'm, when I'm with you  
[it happens over and over]
