(S. Brown III/ R. Brown/E. Brown)

We met one summer's day
We smiled and said our names
the way two people often do
He was Capricorn
And the love was born
Although he had a wedding vow
He loved me anyhow
The way two people often do
In a special style
We make love a while
And then he'd go
And I'd know

[Chorus:]
He belongs there
Where is it I belong?
He belongs there
Where is it I belong?
He belongs there
Where is it I belong? ...

And so at work each day
To friends I'd have to say
Our love would last forevermore
They don't know his name
How can I explain?
When they don't know
Like I know...

[Chorus]

I loved so willingly
Though he is killing me
With love that never will be mine
(never be mine)
I love you, he'll say (is that he'll say?)
In a special way (in a special way)
Then he goes home (he goes home)
And I know...

[Chorus]

He belongs there
Where is it I belong? (We met one summer's day)
He belongs there
Where is it I belong?
(We smiled and said our names)
He belongs there
Where is it I belong?
He belongs there...
