Since I've been gone, I wonder who
Who's been lovin' you
Been so long, just tell me
If romance is still the same

Now if you feel lonely, it's a mutual feelin'
I know what's on your mind
Don't let temptation get next to you
Girl, think before you move

You know I care
But there's one thing
I really want to know

Who's lovin' you?
I really want to know
Who's lovin' you?
Tell me, girl

I'm not sure
If I wanna try and understand
What's goin' on?
You say he's just a good friend

Now, I'm not no fool, I can see right through you
Girl, I might be pushin' in
This is quite clear that you like playin' games
I'm not havin' that much fun

Girl, you know I care
But there's one thing
I really want to know

Who's lovin' you?
I really want to know
Who's lovin' you?
Tell me, girl

Girl, you know I care
But there's one thing
I really want to know

Who's lovin' you?
I really want to know
Who's lovin' you?
Girl, I gotta know
Who's lovin' you?
