With a child's heart  
Go face the worries of the day  
With a child's heart  
Turn each problem into play

No need to worry  
No need to fear  
Just being alive  
Makes it all so very clear

That's with a child's heart  
Nothing can ever get you down  
With a child's heart  
You've got no reason to frown

Love, love is welcome  
As a sunny, sunny day  
No grownup thoughts  
To lead our hearts astray

Take life easy  
Easy like a child  
So gay and care free  
Yeah

Love, love is welcome  
As a sunny, sunny day  
The whole world smiles with you  
As you go your own merry way

'Cause with a child's heart  
Nothing can ever get you down  
With a child's heart  
We've got no reason to frown
