"Without A Song"

Without a song the day would never end
Without a song the road would never have been
When things go wrong a man ain't got a friend
Without a song

That field of corn would never ever see a plow
That field of corn would be deserted now
A man is born but he's no good, no how
Without a song

I've got my trouble and woe
But sure as I know, the Jordan will roll
I'll get along as long as a song
Is strung in my soul

I'll never know what makes the rain to fall
I'll never know what makes the grass so tall
I only know there ain't no love at all
Without a song
