All you gotta have love in your heart
You gotta have a song on your lips
You gotta let freedom roll
Then you'll feel good, yes you will

I look out my window
And what do I see
I see a world that's full of confusion
And I know just what it needs

It needs to have a little love in its heart
It's gotta have a song you can sing
It's gotta let freedom roll
Then you'll feel good, yes you will

I look in my mirror
And what do I see, yeah
I see a man who's lost and is wandering
And I know just what he needs

He needs to have a little love in his heart
He's gotta have a song on his lips
He's gotta let freedom roll
Then he'll feel good, yes he will

Don't you wanna feel good
Yes, I do
Ooh, you should feel good
Yes, I do
You've gotta feel good, oh yeah
Yes, I do

You gotta have a little love in your heart
You gotta have a song on your lips
You gotta let freedom roll
Then you'll feel good, yes you will

You gotta have a little love in your heart
You gotta have a song on your lips
You gotta let freedom roll
Then you'll feel good, yes you will

You gotta have a little love in your heart
You gotta have a song on your lips
You gotta let freedom roll
Then you'll feel good, yes you will

You gotta have a little love in your heart
You gotta have a song on your lips
You gotta let freedom roll
Then you'll feel good, yes you will

You gotta have a little love in your heart
