(Brian Holland/Edward Holland, Jr./R. Davis/ H. Wyche)

Spread your sunshine in my life
Keep your sunshine in my life
Spread your sunshine in my life
Keep your sunshine in my life

I like the sound of rushing waters
(I like the sound of rushing waters)
It lets me know that something's free
(Oo-oo-oo-oo)
I like the sound of children's laughter
The way I always want to be

And when the man deserve the world
Dare to make my bright skies grey
You take your little rays of sunshine
And sprinkled joy into my day
Ow! It's a real good feeling

Keeps me moving on
(Moving, moving, moving on)
You made me happy
(Moving, moving, moving, moving, moving on)
Keeps me moving on
(Moving, moving, moving. moving on)
Keeps me stepping strong
(Moving, moving, moving, moving on)

I like the glow of smiling faces
(Smiling faces)
It shows how good that life can give
(Oo-oo-oo-oo)
I like to go to friendly places
(Friendly places)
It makes all of me want to live

And when the man deserves the world
And might dare to cloud my way
You spread your everloving sunshine, baby
And shine it bright on my parade

Ooh, it's a real good feeling

Keeps me moving on
(Moving, moving, moving on)
You made me happy
(Moving, moving, moving, moving)
Ow! (Moving on)
You keep me moving on
(Moving, moving, moving, moving on)
You keep me coming on strong
(Moving, moving, moving, moving on)

(Moving on) Keeps me
(Moving on) Keeps me, yeah
(Moving on) Keeps me

I'm gonna walk in the sunshine
And enjoy this world of mine
I'm gonna sing about the good life, baby
And how you brought me happy times
Ooh, ooh, keeps me moving on

Keeps me moving on
(Moving, moving, moving, moving on)
Ow! You made me happy
(Moving, moving, moving, moving)
Hey, keeps me moving on
(Moving, moving, moving, moving on)
You keep me moving
(Moving, moving, moving, moving)
Hey-ey, you keep me moving
(Moving, moving, moving, moving on)
You keep me moving
(Moving, moving, moving)
You keep me moving, baby
(Moving, moving on)
Whoa-oh... keeps me happy
