I need your sweet inspiration
I need you here on my mind
Every hour of the day
Without your sweet inspiration
The lonely hours of the night just don't go my way

A woman in love needs sweet inspiration
And honey that's all I ask, you know that's all I ask from
you
I gotta have your sweet inspiration
You know there just aint no telling what a satisfied
woman might do

When you call me baby, baby
It's such a sweet inspiration
The way you call me darling, darling, darling
Sets my heart to skating

And if I'm out in the rain baby
And in a bad situation
Oh I just reach back in my mind
And there I find your inspiration

Inspiration
Oh what a power
And I've got the power
Every hour of the day
I need your sweet inspiration
To go on living, to keep on giving this way

I need your
Sweet inspiration
Sweet sweet inspiration

Sweet inspiration
Sweet sweet inspiration
