Why am I treated so bad

Why am I treated so bad

You know I'm all alone

While I sing this song

Hear my call

I've done nobody wrong

But I'm treated so bad

Ohh so bad

I'm gonna run

Up to my baby's door

Ask him why

Why, why

He don't love me no more

He was wrong

Said I was too vain

But I'll walk on in

And love him just the same

Thought he treats me so bad

Ohhh so bad
