Won't you kiss me, babyhate?
Raised in chaos, now is too late
Love is blood you cannot take
We destroy and we create

Won't you kiss me baby hate?

I never ever thought I would be letting you down
Would you be the one who's careless
Shall I put another love thorn in my crown
I won't belong to anyone

Lost and grown up, baby hate
Now a porn punk, rebel by mistake
Life has things you cannot taste
Can't control and can't dictate

Won't you kiss me babyhate?

I never ever thought I would be letting you down
Would you be the one who's careless
Shall I put another love thorn in my crown
I won't belong to anyone

Nothing is pure anymore!

I never ever thought I would be letting you down
Would you be the one who's careless
Shall I put another love thorn in my crown
I won't belong to anyone
