I fill you up with gold and vanity  
Wrap around you in luxury  
I fill you up with gold and courtesy  
But I can't make smiles from your tears

Gonna make you try to get over my dead body comes  
body goes  
Bodies everywhere I go  
With the flow walking in the row, stepping in who falls  
Down into the mud of asphalt

I don't wanna be a millionaire  
Jewels and jets, baby I don't care  
I don't wanna be a millionaire  
I just wanna be filthy rich, come on

I fill you up with gold and vanity  
Wrap around you in luxury  
I fill you up with gold and courtesy  
But I can't make smiles from your tears

Gonna make you try to get over my dead body comes  
body goes  
Bodies everywhere I go  
With the flow walking in the row, stepping in who falls  
Down into the mud of asphalt

I don't wanna be a millionaire  
Jewels and jets, baby I don't care  
I don't wanna be a millionaire  
I just wanna be filthy rich, come on
