I look back to all I leave as i walk away
Hands touch me, eyes call me and i turn away

I've tried to forget the logic that made me stay
These silent wounds burn as i fly away

Fly, baby fly

Climb the darkness of the sky
As i crawl away like a snake from desire

Stop, walk
Deep down to the dark
And i hear my world coming down as i walk away

I look... I could... But i walk away
Tomorrow this sorrow will be far away

As far as i walk, I feel i don't go away
One single flame can burn all the world away

Fly, baby fly
Climb the darkness of the sky
As i crawl away like a snake from desire

Stop, walk
Deep down to the dark
And i hear my world coming down as i walk away
