You dissolve
It's just another way you exist,
It's just another way you survive,
It's just another way you dissolve

You dissolve!
It's the only way you depart,
It's the only way you operate
It's the only way you dissolve
You dissolve! [x3]

You dissolve
It's just another way you deceive
It's just another way you can leave
It's just another way you dissolve Into steam
You dissolve like a dream

You dissolve!
It's just another way
You dissolve!
It's just another way
You dissolve!
It's just another way
You dissolve mmmm you dissolve
You dissolve!
