Love between a boy and girl
Can be so wonderful (Mmm... love)
Love between a boy and girl
Can be so wonderful

Holding hands can be so much joy
Walkin' along just girl and boy
A smile a sign of happiness
A kiss that's filled with tenderness, ooh... love

Love between a boy and girl
Can be so wonderful (Mmm... love)
Love between a boy and girl
Can be so wonderful

Hoping it's you when the telephone rings
The thrill, the sound that your voice brings
Those times when you lost for words
Your heart speaks, ooh, how clear it's heard

Love between a boy and girl
Can be so wonderful
Love between a boy and girl
Can be so wonderful

A dream that's seems so real
Your touch showing just how you feel
Those treasured moments spent with you
Sharing love, ooh, a love so true

Love between a boy and girl
Can be so wonderful (Ooh, love)
Love between (Hey) a boy and girl
Can be so wonderful (Mmm)

Love between a boy and girl
Can be so wonderful (Hoo)
Love between a boy and girl
Can be so wonderful (Ooh)

Love between (Ooh) a boy and girl
Can be so wonderful
