DON'T SEND ME AWAY

WRITERS

WILLIAM "SMOKEY" ROBINSON, EDDIE KENDRICKS

Don't send me away. (Don't send me away)

I've hurt you it's true.

Don't close the door. (Don't close the door)

I'll make it up to you.

'Cause you know that I (need your) your wonderful love.

Whoa

Don't send me away. (Don't send me away)

I may have been wrong.

But please let me stay. (Please let me stay)

Here, where I belong.

Darling, you know that I (need your) your wonderful
love.

(I need) I need your love. (your love)

Dear, through all my days of mine, I need your love.

Dear, through every phase of mine, I need you love.

Everyday and in everyway.

Hmmm

[Instrumental]

Don't send me away. (Don't send me away)

For I surely be lost.

I'm willing to pay. (Willing to pay)

My life as the cost.

'Cause you know that I (need your love.)

Oh, you know I do. (I need your love)

Oh, I'll cherish you. (I need your love)

Oh, don't be cruel. (I need your love)
