Firefly, Firefly
Shine your light tonight
Assist the Moon and Stars
In helping us
To ease our minds

Firefly, Firefly
Golden light of serenity, yeah
show us the light naturally.
And maybe she wont worry
when there ain't nothing I can do.

When the seas runs dry
and the stars fall from the sky
She's a vulnerable flower
and she believes in me

Even when I have to lie
I shouldn't have lie
To make the world seem alright
Firefly, Firefly

(Spoken)I come home with the weight of the world on
my shoulders
But knowing the strength she sees in me
I smile because she believes me.

Firefly, Firefly
Golden light of serenity
show us the light naturally.
And maybe she wont worry
when aint nothing I can do.

When the seas runs dry
and the stars fall from the sky
She's a vulnerable flower
and she believes in me

Even when I have to lie
I shouldn't have lie
To make the world seem alright

Firefly, Firefly

(Spoken) Um, um, um

Ooh, she's a vulnerable flower
And she believes in me
Even when I have to lie
I shouldn't have to lie
To make the world seem alright

Ooh, Ooh, Ooh, Ooh, Firefly
You make the world feel alright
