If you're living in a glass house
Don't throw no stones
If you're living in a glass house
Don't throw no stones

We're born and alone
And we die alone
What can we do in between

I don't what's going on in your house
When you close your door
If you stop looking in my bedroom window
I'll stop looking in yours

And she caught me with Alice
And she threw me out the door
The real reason that she was so mad
Is that she was getting Alice before

Living in a glass house
Don't you throw no stones
Living in a glass house
Don't you throw no stones

I ain't no fool
Sweet talking, bar hopping
Pill popping, wife swapping
Swapping, swapping, swapping

Sweet talking, bar hopping
Pill popping, wife swapping
Swapping, swapping, swapping

If you're living in a glass house
Don't throw no stones
If you're living in a glass house
Don't throw no stones

If you're living in a glass house
Don't throw no stones
If you're living in a glass house

Don't throw no stones

Sweet talking, bar hopping
Pill popping, wife swapping
Swapping, swapping, swapping

Sweet talking, bar hopping
Pill popping, wife swapping
Swapping, swapping, swapping

Hey, hey
Gotta say it again
I gotta say it again
If you're living in a glass house
