I thought that I could live without your love
But it seems as though, girl, I never get enough
Since that first night you lay there in my arms
Haven't been the same girl, guess I got you in my
blood

I can't explain
The pleasure you give me (pleasure you give me)
No one can make me (no one can make me)
Put you down

I could never (baby, I could never stop loving you)
I could ne-ver (baby, I could never stop loving you)

I need your love for more than just a night
Don't you know by now that I'm here for the rest of my
life
No matter how many nights I choose to roam
You can rest assured, girl, that I'll be coming home to
you

I can't afford to lose you (can't afford to lose you)
So glad I got to choose you (glad I got to choose you)
For my wife

Ooh, ooh, ooh, ooh, I could never (baby, I could never
stop loving you)
I could ne-e-e-ever (baby, I could never stop loving you)
stop loving you

Oh, you know how to love this man

I could never (baby, I could never stop loving you)
I could ne-e-e-ever (baby, I could never stop loving you)
stop loving you
I tried but I can't (baby, I could never stop loving you)
Oh, oh, oh, I tri-i-i-i-ied (baby, I could never stop loving
you) oh, yes, I tried.
But I can't stop loving you (baby, I could never stop
loving you)
