Your love is fading; I can feel your love fading
Girl, it's fading away from me
'Cause your touch, your touch has grown cold
As if someone else controls your very soul
I've fooled myself long as I can
Can feel the presence of another man
It's there when you speak my name
It's not the same
Ooo, baby, I'm losing you
It's in the air
It's everywhere
Ooo, baby, I'm losing you (losing you)

When I look into your eyes
A reflection of a face I see
I'm hurtin', downhearted, and worried, girl
'Cause that face doesn't belong to me
It's all over your face
Someone's taken my place
Ooo, baby, I'm losing you
You try so hard to hide
The emptiness inside
Ooo, baby, I'm losing you (losing you)
I don't wanna lose you

I can tell when we kiss
There's true love amiss
Ooo, baby, I'm losing you
I can feel it in my bones
In a day you'll be gone
Ooo, baby, I'm losing you
Oh, my dear
What happened to the love we shared?
Ooo, baby, I'm losing you
I know it's true
You've found someone new
Ooo, baby, I'm losing you
