Ooh  
Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty,  
pretty  
Ooh, isn't she a doll (She's a doll, now)

Uh huh, she's so fine. (So fine)  
Gee, I wish she was mine.

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty,  
pretty  
Ooh, isn't she a doll (Hey, she's a natural doll, now)

She's the kind of girl all of my life, now.  
I wanted it, to be my wife.  
Because...

She's got it, without a doubt.  
She really knocks me out.  
I can't do without her love.

Ooh  
Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty,  
pretty  
Ooh, isn't she a doll? (Hey, she's a natural doll, now)

"Oh do you know, you know you're a pretty little thing?"  
"I really want to be your man."

"No, no, no... do you know why?"

"Why?"

"You ain't got just what it takes."

Ooh  
Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty,  
pretty  
Ooh, isn't she a doll (Hey, she's a natural doll, now)

Everytime she comes near me.  
My words just-a disappear.

Here she comes now.  
Jus' the walk.  
Listen to her sweet, sweet talk.  
I can't do without her love.

Oooh  
Oooh, isn't she pretty, ah pretty, ah pretty, ah pretty,  
pretty  
Oooh, isn't she a doll (She's a doll, now)

She... so fine, so fine, so fine.  
I... I wish she were mine, all mine.  
She... so fine, so fine, so fine.  
I... I wish she were mine, all mine.  
She... so fine, so fine, so fine.  
I... I wish she were mine, all mine.
