I heard that... you were lonely.
Ever since... you sent me away. (Away)
I'm lonely too, baby. (I'm lonely too)
Just like you.

So, all you got to do is-uh
Just let me know and I'll (ah, come back) come running
back.

Just let me, just let me know.
And I'll (ah, come back) come running back.
As fast as I can, baby. (Straight to you-ou-ou)
Hmm

I told my friends to wait and see.
That some day you'll be crawling, crawling back to me.
Oh, but I was wrong.
'Cause love is much too strong.

So, all you got to do is-uh
Just let me know and I'll (ah, come back) come running
back.

Just let me, just let me know.
And I'll (ah, come back) come running back.
As fast as I can, baby. (Straight to you-ou-ou)
Hmm, yeah (Straight to you-ou-ou)

Baby, baby clap your hands. (Clap... clap,clap)
If you understand. (Clap...clap,clap)
Give me some kind of sign. (Clap...clap,clap)
If you want to be mine.

So, all you got to do is-uh
Just let me know and I'll (ah, come back) come running
back.

Just let me, just let me know.
And I'll (ah, come back) come running back.
As fast as I can. (Straight to you-ou-ou)
Hmm (Yea, yea)

'Cause I love you. (Straight to you-ou-ou)
Hmm

Clap... clap,clap
Clap... clap,clap
Clap... clap,clap

(Just let me know)
And I'll (ah, come back) come running back.
Just let me know.
(Just let me know and I'll come back)

'Cause I love you, yes indeed.
I'll come, come running back. (Back)
Straight (straight to...) you.
Hmm (Yea, yea. Straight to you-ou-ou)

Straight to you. (Yea, yea. Straight to you-ou-ou)
'Cause I love ya, I need ya.
Just say you want me
