Well...
Get down
Nah nah
Hi yah hi hi hi
Ahh yah ha

Hey...
(Let your hair down) Oh, Doctor and Lawyer
(Get up...) and let your reputation sit a while
Hey hey (Let your hair down)
Hey, Mister Businessman (Let it down)
All work and no play makes Jack a dull boy

Hey Mister Businessman you're always on the go
You've made your fortune...
Yet you're working harder than ever before

All those pills you're taking daily will never see you
through
Cause none of them are prescribed for what's really
ailing you (Let it down)
It don't take no doctor long to see what you got. Well...
Your life has turned into one great big knot

Hey yay hey now

(Let your hair down)
Can you let it down?
Let it down, let it down, awww
(Get up...) and let your reputation sit a while
Heyyy (Let your hair down)
Don't ever be ashamed of what you're doin' (Let it
down)
All work and no play makes Jack a dull boy - Heyyy hey
hey

How do you do, Mr. Ditty?
Uptight - You look such a pity
I've got some advice for you
Take this record in your room...
Lock the door, and get some groove

Let it down (Let it down)
Let your hair down (Let it down)
Ayyyy Heyyy
(Let it down. Let it down. Let it all the way down)
All you got to do is let the music take your mind

Show your partners...
Anything they can do, you can do better
(Anything they can do, you can do better) Well, well,
well, well
This is the part of the song where the horns take the
throne
Down (blow) Dih down down hey

Let it down, let it down - hey
Let it down, let it down - hey
Let it down, let it down
Hey, let it down

Let your hair down
Hey doctors and lawyers
(Get up...) and let your reputation sit a while
Hey hey (Let your hair down)
Hey, Mister Businessman (Let it down)
Don't you know - all work and no play makes Jack a dull
boy

Hey ayy hey (Let your hair down)
Let it down, let it down, let it down, let it down
(Get up...) and let your reputation sit a while - Do it
