it's not her symphony  
chilling out her rhapsody  
it's just a simple melody i wrote for you

oh hear my lullaby of love (hear my lullaby of love)  
love that's crying out to you (crying out to you)  
ooh, ooh, ooh, ooh, ooh  
ooh, ooh, ooh, ooh, ooh, ooh

i had a price to pay (price to pay)  
ever since that awful day (awful day)  
i got up and walked away from you sweetheart

oh hear my lullaby of love (hear my lullaby of love)  
love that's tearing me apart (tearing me apart)  
ooh, ooh, ooh, ooh, ooh  
ooh, ooh, ooh, ooh, ooh, ooh

la la la la la  
crying out to you  
i can't go on like this  
after haven't tasted bliss  
with every warm and tender kiss you gave to me

oh hear my lullaby of love (hear my lullaby of love)  
love that haunts my rebelry  
oh hear my lullaby of love (hear my lullaby of love)  
love that needs your symphony  
ooh, ooh, ooh, ooh, ooh  
ooh, ooh, ooh, ooh, ooh, ooooooh
