Oohâ€¦oohâ€¦mmmâ€¦mmmâ€¦yeahâ€¦heyâ€¦ On, no
Na, na, na, na, na, na,
yeahâ€¦ahâ€¦ahâ€¦yeahâ€¦yeahâ€¦ Just to feel your
body, your sensual desire You know my heart goes
crazy when your tender lips touch mine Let's explore
our love and the candlelight and wine We'll leave the
world behind, baby (Girl, do you believe) In the miracle
of love (Would you try and see) I'm the one you're
dreamin' of (Baby, close your eyes) Let the fantasy
become real Oh, yeah (Will I) Stay till the mornin', baby,
rock me, girl Like I wanna rock you (Like I wanna rock
you) (Please) (Stay with me, baby) Stay till the mornin',
baby, let me know That you want me too (I wanna rock
you, baby) (I wanna rock you, baby) Can you feel me,
baby, 'cause I'm comin' from the heart You're such a
sexy lady, ooh, just tell me where to start I'll make
sweet, sweet love like you never felt before And give
you so much more, hey, hey (When you need a friend) I
will come to you (You just tell me when) Girl, that's all
you got to do (Let me be your man) I will be your
pleasure (Anytime) Anytime (Anytime you need) Stay
till the mornin', baby, rock me, girl Like I wanna rock
you (Ooh, don't you wanna stay with me, girl) (Do you
wanna stay) Stay till the mornin', baby (Yeah), let me
know That you want me too (Ooh, girl, I want you to stay
with me, yeah) Stay till the mornin', baby, rock me, girl
Like I wanna rock you (In the mornin', in the evenin',
and all night long) Stay till the mornin', baby (Oh), let
me know That you want me too [I want you] (I wanna
rock you, baby) (Don't you want me too) I'll save you
from the highest mountain (The highest mountain)
Paint the words across the sky (All across the sky)
(Oohâ€¦oohâ€¦oohâ€¦) I can't live without you (You
know I can't) I can love you through the day and all
night, and all night (Please), and all night Of all the
riches in the world, you will forever be my girl (I wanna

know) Stay till the mornin', baby (Baby), rock me, girl
Like I wanna rock you (I, I wanna rock you, baby, I
wanna know) Stay till the mornin', baby (I wanna know if
you wanna stay with me tonight), let me know That you
want me too (Girl, rock me, rock me, rock me, and rock
me) (You better rock me, baby) (All night long) Stay till
the mornin', baby, rock me, girl (I'd rather, I'd rather,
rather make sweet love to you) Like I wanna rock you
(I'm beggin' you, baby) (Yeah, baby) (Help me, y'all)
Stay till the mornin', baby (Oh), let me know (Ooh) That
you want me too (That you want it too, Temptations
sing) Stay (I want you to stay, oh, oh) With me, ooh,
ooh (I wanna be your lover, baby) Stay (I wanna know
would you stay) With me, ooh, ooh (I'll do just about
anything you'll want me to do, yeah) Stay
(Oh) (Stay with me) (Oh) With
me, ooh, ooh (Baby, forever) (Baby, forever) (Oh, oh,
why don't you stay) Stay (I love, I love everything about
you) With me, ooh, ooh
