One drag, that's all it took....
One drag, that's all it took....
Take a stroll through your mind, you'll be surprised at
what you might find.
Take a stroll through your mind, you'll be surprised at
what you might find. Yea.
People I got sunshine on a cloudy day. Ya.
I got sunshine, sunshine, on a cloudy day. Have mercy.
people I'm grooving, groovin'...me and myself, dig?
I'm just groovin', groovin'...me and myself...oh lord
have mercy
Take a stroll through your mind, you'll be surprised at
what you might find.. Hmmm
Take a stroll through your mind, you'll be surprised at
what you might find. Yea. Just me...

callin' on the group to give me a little whoop-whoop
callin' on the group to give me a little whoop-whoop
whoop-whoop. Yeaaa whoop
whoop-whoop. Yeaaa whoop
whoop-whoop. Yeaaa whoop
hmmm mhm
whoop-whoop. Yeaaa whoop

take out your crayon and coloring book, and color me
out..

my mind sleeping but I'm wide awake
my mind sleeping but I'm wide awake
one drag, that's all it took....

welcome to the circle, ya, we'll decide. You dig? Cause
you people look at us like we're freaks. Dingdongding.
Ain't no thing baby...

there is no young, there is no old, reach and touch your
soul.

tell me, have you ever been off the ground for a long,
nice and slow, here we go...

seems like every monday morning I've got the blues.
And every tuesday I get some bad news
wednesday worse cause I ain't got a dime to my name
I done worked so hard all week, thursday, my body just
racked with pain
here come the good part...
friday the eagle flies and so do I
I wonder if you hear me when I say
the eagle flies on friday and so do I
yea, just listen...

Take a stroll through your mind, you'll be surprised at
what you might find
Take a stroll through your mind, you'll be surprised at
what you might find. Yea...
