This little girl of mine,
I wanna say she's so fine.
And each and every day,
I make sure she has her way.

Now, we don't feel tied down,
Although our hearts are bound.
I don't have to chase her all over town.
My baby she's always around.

The girl's alright with me.
You know the girl's alright.
Listen, the girl's alright with me.
You know the girl's alright.

Now she's so good to me.
I guess that's why I feel fancy free.
Just to see the glow in her eyes,
Makes me once again realize.

I love her with all my heart
And I know we'll never, never part.
I never heard her about or caught her playing.
I guess that's why you always hear me saying...

The girl's alright with me.
You know the girl's alright, hmm...
The girl's alright with me.
You know the girl's alright

[Instrumental]

When I visit at her home
Other fellas never, never ring her phone.
She lets them know just where they stand
She tells them all that I'm her man.

And when we're out on a date
Other fellas wait till I walk away.
They try to beat my time.
She tells them in a nice way, she's mine, all mine.

The girl's alright with me.
YOu know the girls alright
And I trust her with my heart now. (The Girl's alright
with me)
Everyday now. (You know the girl's alright)
You know, you know that the (girls alright with me)
In everyway now. (You know the girls alright)
