Now, I'm the kind of guy who don't believe that chivalry is dead. No.

'Cause I believe a woman should be treated with a lot of respect.

Hmm, don't be afraid.

Don't turn and walk away.

I want to get to know ya. Yeah.

Don't be a shame.

Don't send our love to flame.

Just come a look me over.

(It's by your heart) It's by your heart.

That you've always been looking for.

How can anybody ask for much more (More, more, more)

Now, I like openin' doors. (Yeah)

Pickin' up your hanky of the floor. (Yeah)

Treat her like a lady. (Treat her like a lady)

Light the cigarette that she smokes.

Even...(help her with the coat)

Well, treat her like a lady. (Treat her like a lady)

If it's the world of celebration, so easy to forget.

Hmm, that it's so nice to find a man, whom that'll lend a helping hand. (You can bet)

Yes, you can baby.

When I was young, my mama used to say,

"Boy, a woman's like a flower, with love that will turn to showers."

Ever since that day, her words never went away.

I'll always will remember to keep my baby tender.

(It's by your heart) It's by your heart.

That you've always been looking for.

How can anybody ask for much more (More, more, more)

Now, I like openin' doors. (Yeah)

Pickin' up your hanky of the floor. (Yeah)

Treat her like a lady. (Treat her like a lady)

She's a bad, son of a gun, I'm her lovin' Don Juan

Treat her like a lady. (Treat her like a lady)

Whoa baby.

Everyday, everyway.

(It's by your heart) It's by your heart.

That you've always been looking for.
How can anybody ask for much more (More, more,
more)
Now, I like openin' doors.
