Ooh-ooh-oh-ooh-oh-ooh-
Ooh-ooh-oh-ooh-
Ooh, yeah, baby
Whoa-whoa-oh-oh-
Mmm-

Now I-m the kinda guy who don't believe
That chivalry is dead, no
'Cause I believe a woman should be treated
With the utmost respect, mmm-hmm-

Don't be afraid, don't turn and walk away
I wanna get to know ya, well
Don't be ashamed, don't say that love's to blame
Just come and look me over

[You'll find a heart]
You'll find a heart that you've always been lookin' for
How could anybody ask for much more, woo-hoo-

Now I like openin' doors
Pickin' up [Yeah] her hanky [Yeah] off the floor
Treat her like a lady [Treat her like lady]
Light her cigarette if she smokes
Even [Help her with her coat], well
Treat her like a lady [Treat her like lady]

In this world of liberation
It's so easy to forget, mmm-
That it's so nice to have a man around
To lend a helping hand, you can bet, bet you can, baby

When I was young, my mama used to say, Boy
A woman's like a flower, with love on her you shower
Ever since that day, her words never went away
I always will remember to treat my baby tender

[You'll find a heart]
You'll find a heart that you've always been lookin' for
How could anybody ask for much more, whoa-ooh-ooh-

Now I like openin' doors
Pickin' up [Yeah] her hanky [Yeah] off the floor
Treat her like a lady [Treat her like lady]
Light her cigarette if she smokes
Even [Help her with her coat], oh, whoa
Treat her like a lady [Treat her like lady]

Compliment her on her hair
Even help her with her chair
Treat her like a lady [Treat her like lady]
She's a bad son-of-a-gun
I'm her lovin' Don Juan
Treat her like a lady [Treat her like lady]

Ooh-hoo-hoo-hoo-hoo-oooh-
Whoa-oh-oh-
Hey-hey-
Whoa-oh-oh-oh-oh-baby
Every day, ever way
Hey, hey
Hey, hey, hey, hey, hey

[You'll find a heart]
You'll find a heart that you've always been lookin' for
How could anybody ask for much more, whoa-whoa-oh-
oooh-

Now I like openin' doors
Pickin' up [Yeah] her hanky [Yeah] off the floor
Treat her like a lady [Treat her like lady]
Light her cigarette if she smokes
Even [Help her with her coat], help her out
Treat her like a lady [Treat her like lady]

Compliment her on her hair
Even help her with her chair
Treat her like a lady [Treat her like lady]
Now boy, you should remember
To be a gentleman
Treat her like a lady

(You better) Treat her like (Well), treat her like (Ho)
Treat her like a lady (Treat her like a lady)
Treat her like, treat her like (Hey-ey-)
Treat her like a lady (Treat her like a lady)

Treat her like (Well), treat her like
Treat her like a lady (Treat her like a lady)
Treat her like, treat her like (Ooh-hoo-)
Treat her like a lady (Hoo-hoo-oh, my, my, treat her like
a lady)
