You surely must know magic girl
Cause you changed my life
It was dull and ordinary
But you make it sunny and bright

Now, I was blessed the day I found you
Gonna build my whole world around you
You're everything good girl and you're all that matters
to me

When my way was dark and troubles were near
Your love provided the light so I could see girl
Just knowin your love was near when times were bad
Kept the world from closin in on me girl

I was blessed the day I found you
Gonna build my whole world around you
You're everything good girl and you're all that matters
to me

Baby, you're part of every thought I think each day
Your name is in every phrase my lips sing
Every dream I dream is about you
Honey I can't live without you

Baby (baby), baby (baby), baby
You're my everything, you're my everything, yes you
are
(Don't you know you're my everything)

You're the girl I sing about in every love song I sing
(You're my everything)
You're my winter baby, my summer, my fall and spring
(You're my everything)

Now I was blessed the day I found you
Gonna build my whole world around you
You're everything good girl and you're all that matters
to me

You're my everything, you're my everything, yes you
are

(Don't you know you're my everything)

You're my everything, you're my everything

(Don't you know you're my everything)

You're my everything, you're my everything

(When my way was dark and troubles were near, your
love provided a light so I could see girl.

Just knowing your love was near, times that were there
kept the world

from closin in on me girl.

Now I was blessed the day I found you

Gonna build my whole world around you

You're everything good girl and you're all that matters
to me

You're my everything, you're my everything, yes you
are

(Don't you know you're my everything)

You're my everything, you're my everything

(Don't you know you're my everything)

You're my everything, you're my everything
