Here's a couple of suggestions of how you could
finesse it
You find a dude in town, you send him a short
message
Say, ""Hey, I'm new in town, I don't know my way
around
but I got some soft white that's sure to come back
brown
I get that butter all night
cause most niggaz don't know a brick from a bike
They keep buyin hard white
And if you free tomorrow night we can meet and
discuss price
FYI, I never been robbed in my life""

let her introduce you 'round town like her man
Shake hands, make friends like it's all innocent
then -- before they look up you sellin the town cook-up

Take a nigga brick, smack him, then you sell it back to
them
