Uh, yeah, the boy Extra
We right back at it like we left somethin' know' mean?
It's the ROC, since 9 6, you know we get busy
Got the young lady by the name of Rihanna with me
Straight from Barbados, give 'em that flavor baby girl
Let's go

You were there for me when I needed you when my
back was to the wall
And it's good to know that you're still the one to catch
me when I fall
We've been crazy tight and I realize when all is said
and done
Through the best of times, through the worst of times
Baby, you're the one, baby, you're the one

Ayo quattro, trece, doce, uno
You know I throw my weight around like Sumo
You know I hold my lady down, that you do know
You know disrespectin' mine'll be a funeral

Bruno Magli's on the patio in blood
O.J style but I won't leave the glove
Like Shyne but I won't leave the club
Brooklyn Zoo all we feed you is slugs

Like, yeah, love you know I leave you over mine
And yeah, love they have to grieve you over mine
It's thug love at it's finest, dude rewind this
Uh, the boy HO behind this

You were there for me when I needed you when my
back was to the wall
And it's good to know that you're still the one to catch
me when I fall
We've been crazy tight and I realize when all is said
and done
Through the best of times, through the worst of times
Baby, you're the one, baby, you're the one

Ayo quattro, trece, doce, uno
You know the boy give 'em more kicks than judo

You know I protect what's mine, that you do know
You know violatin' me you gon catch a fuedo

We are partyin' with my shorty like the God
Robert Blake style but they won't find the car
Like the big homie Snoop but it won't be the gods
brooklyn zoo, we known to throw shots like

Yeah, love I'm on a shoppin' spree with mine
Here love you know it's rings and things with mine
It's thug love at it's finest, dude rewind this
Uh, the boy HO behind this

You were there for me when I needed you when my
back was to the wall
And it's good to know that you're still the one to catch
me when I fall
We've been crazy tight and I realize when all is said
and done
Through the best of times, through the worst of times
Baby, you're the one, baby, you're the one

Ayo four, three, two, one
If this ain't concrete then call it what you want
For my lady I make where you from hotter than the sun
I'm still street say the word and it's done

If ever in the world that we gotta let a slug fly
Even if they subpoena me I would never testify
You feel the same and this way we never change
Dudes play they disappear and I ain't David Blaine

Like, yeah, love you know I'm breezin' through with
mine
Yeah, love give me a reason to squeeze for mine
It's thug love at it's finest, dude rewind this
Uh, the boy HO behind this

You were there for me when I needed you when my
back was to the wall
And it's good to know that you're still the one to catch
me when I fall
We've been crazy tight and I realize when all is said
and done
Through the best of times, through the worst of times
Baby, you're the one, baby, you're the one

Baby, baby you're the one
Uh, Rihanna y'all, you know, ROC, ROC
Baby, baby, you're the one
ROC, ROC, rock on

Uh, huh, Bink on the production
Y'know, it's another one of those joints
It's the ROC, and we get busy
