We meet,
And the angels sing.
The angels sing the sweetest song I ever heard.

You speak,
And the angels sing.
Oh, am I breathing music into every word?

Suddenly,
The setting is strange.
I can see water run?

Soon undiscovered shore

Then suddenly I see it all change
Long winter night with the candle glimmering
Through it all,
Your face that I adore.

You smile,
And the angels sing.
And though it's just a gentle murmur at the start.

We kiss
And the angels sing.
And? in my heart.

Suddenly,
The setting is strange.
I can see water run?

Soon? undiscovered shore

Then suddenly I see it all change
Long winter night with the candle glimmering

Through it all
Your face that I adore.

You smile,
And the angels sing.
And though it's just a gentle murmur at the start.

Oh woah the edge we kiss
And the angels sing
And hear their music ringing in my heart.
