Woah, woah woah  
Woah, woah woah  
Woah, woah woah  
Woah, woah woah  
Woah, woah woah

Well baby, just ya big maybe  
Well baby, read along with me

Hmmm honey, you laugh a lot funny  
Honey, take a chance with me

Runnin' around town, a-lookin' all around  
For someone so I can settle down  
I been walkin' in the street  
A-lookin' mighty neat  
For someone that's sweet

Come on, sugah  
I'm askin' you, would ya  
Sweet sugah, take a chance with me

Woah, woah woah  
Woah, woah woah  
Woah, woah woah  
Woah, woah woah

Come on sugah  
I'm askin' you, would ya  
Sweet sugah, take a chance with me
