I saw the shift
(I saw the shift)
I turned the world
Upon it's end
Incompetents
(Incompetents)
Show eyes
And close to wash them
I want to see them
I want to make
Them understand
I want to breathe in
What's that
And when
What's that again
I found the open door
It's you I wanted more
I saw
I never saw power
The one I waited for
I saw
I never saw power
I walked with you
Once more
(Once more)

[Chorus:]
Just look
At what you've started
Just look
At what you've done
Just look
At what you've started
You're not the only one

I saw the shift
I turned the world
Upon it's end
Incompetents
Incompetents
(Incompetents
Incompetents)

Don't promises
(Don't promises)
I'll turn to that
And here again
Lost in the she'd
(Lost in the shed)
Just like the visions
In your head
I want to see you
I want to be what I can
I want to live through
I'll start again
I'll start again
I found the open door
I saw
I never saw power
It's you
I wanted more
I saw
I never saw
The one I waited for
I saw
I never saw power
I walked with you
Once more
(Once more)

(Chorus)

Once more

(Chorus)
