It keeps walking and it won't look forward  
It seeks the cracks in complacently  
It's cold fingers grip on the human emotion  
The Overpressure - The Overpressure

It sparks terror on the would around it  
It calls vengeance a legitimate thing  
The People pray to their new false idol  
The Overpressure - The Overpressure

STOP! Stop shouting  
STOP! Stop fighting  
STOP! Stop advancing  
The Overpressure  
The Overpressure wants us all

The people bring it all their sacrifices  
It swallows up everything it can see  
The faithful blind to it's final solution  
The Overpressure - The Overpressure

STOP! Stop shouting  
STOP! Stop fighting  
STOP! Stop advancing  
The Overpressure  
The Overpressure wants us all

You won't see it 'till it comes down on you  
Pneumatic soul crushing fighting machines  
Summoned from the well of our human desires  
The Overpressure - The Overpressure

STOP! Stop pushing  
STOP! Stop shooting  
STOP! Stop hating  
STOP! Stop killing  
STOP! Stop shooting  
STOP! Stop fighting  
STOP! Stop advancing  
The Overpressure  
The Overpressure wants us all
