If you wanna be with some one
When you wanna play in the sun
If you wanna share what you find
When you got a lot in your mind
You can see what you wanna say
(Say what you wanna say)

When you gotta be somewhere else
If your gonna travel the world
If you wanna send me a line
When you've gotta hide all the time
You can do what you wanna do?

Everyday when you mean it ,respect it
Put it out, neglect it
Talk it through, face it
Tear it up, replace it
Win some, lose some
Find out we use some
Bend the rules and have fun
Someone you count on
You can be my friend if we hadn't been in common
Honesty, trouble free
Someone to depend on

You can be my friend if you wasn't such a flyer
Yes staying in love taking a dive
You could've been a good friend of mine
Day To Day

When you need someone to blame
When you know they'll be there again
In a world rest up for me
I gotta find some other team
Do what you wanna be
So you took it out on someone
Nothing that can't be undone
If you wanna turn out the lights
If you think everythings right
Do what you wanna feel

Because everyday when you mean it ,respect it

Put it out, neglect it
Talk it through, face it
Tear it up, replace it
Win some, lose some
Find out we use some
Bend the rules and have fun
Someone you count on
You can be my friend if we hadn't been in common
Childs play, roll in the hey
Someone to depend on

You can be my friend if you wasn't such a flyer
Yes staying in love taking a dive
You could've been a good friend of mine
Day To Day

You can call, you can go,
If you fall, you will know
staying alive, taking a dive, you coulda been a good
friend of mine.
Childs play. roll in the hey
Someone to depend on
Honesty, trouble free you could've been a good friend
of mine
Day To Day
