

## The Ting Tings

### "Happy Birthday"

Visit "[Happy Birthday](#)" on MotoLyrics.com

Happy  
happy birthday in a hot bath  
To those nice  
nice nights.  
I remember always  
always I got such a fright.  
If they were me, if they were me and I was you, i was  
you  
If they were me and I was you  
Would you have liked a present too.

Happy birthday
