We on me for when it's on
people are there
waiting to
even if you're on it
we aren't everything you do

Now up and I'll be on
and I'll be to into your arms
until move on
and I'll be punk
Holla
point until you turn onto your top
on a top
I can see if on a weekend that you're on
I can only find a weekend that ain't to tough

Impacta
when I'm on it
going all my heart
I am doing
by and tee
when's your on and
by your arm and tee

And see it up and I'll be up
And I'll be something an some(thing)
an to on and to your arm
and I'll be punk
Holla to an everything
that I'm about
holla to
I can see if on a weekend that you're on
I can only find a weekend that we can see ain't to tough

oh...oh oh...

woo..woo woo...

I am doing
by and tee
when's your on and
by your arm and tee

And see it up and I'll be up
And I'll be something an some-(thing)
-an to on and to your arm
and I'll be punk
Holla to an everything
that I'm about
holla to I can see
if every weekend that you're on
I can only find a weekend that we can see ain't to tough
(repeat these four lines four times total)
Can you hear it?
It's all around

Say can you hear it?
it's all around.

Oh... oh oh...
woo... woo woo...
