They said we needed patience,
Well it's been a long time.
People getting loud,
When it goes off.

We should never listen,
Not necessary at all.
We stand alone,
And now it's serious.

CHORUS

Oooonne (we should be having them)
Oooo... uh uh oh (one by one)
Oooonne (we should be having them)
Oooo... uh uh oh (one by one)

They were always coming,
It's just a matter of time.
We are not fools,
They are not kind.

Even in these new days,
When the damage is done.
There's a time and a place,
Where you can get strung.

CHORUS

Oooonne (we should be having them)
Oooo... uh uh oh (one by one)
Oooonne (we should be having them)
Oooo... uh uh oh (one by one)

Try, try, try to make you see,
Try, try, try, try to believe in me.
Try, try, try to make you see,
Try, try, try, try to believe in me.
Try, try, try to make you see,
Try, try, try, try to believe in me.

CHORUS

Oooonne (we should be having them)
Oooo... uh uh oh (one by one)

Oooooone (we should be having them)

Oooo... uh uh oh (one by one) (3x)

And it feels so good... (2x).
